## EXTRACURRICULAR ACTIVITIES

### National Science & Math Quiz Competition

*Team Captain*

Kumasi, Ghana

June 2021 – July 2021

- Organized the school's first ever inter-house quiz competition.
- Received a certification for participation which served as a motivation to the other students in my school.

### Inter-House Quiz Competition

*Participant*

Kumasi, Ghana

Jan – Feb 2021

- Represented my house in the school's first inter-house quiz competition.
- Collaborated with other 3 students to finish 2<sup>nd</sup> in the quiz.

### Inter-Class Football Competition

*Attacker*

Kumasi, Ghana

October 2020

- Played in the Inter-class competition as a winger.
- Finished the competition as the top scorer.

### Ejisu, Juaben Municipal Education

*Participant*

Ejisu, Juaben

Nov – Dec 2021

- Selected to participate in a 5-day sensitization and training workshop on the New Standards Based Curriculum of the Republic of Ghana.
- Networked with School Proprietors, Head Teachers, and Instructors to learn more about the New Standards Based Curriculum.

### Diversity and Inclusion Club

*Founder*

Kumasi, Ghana

June 2019- June 2020

- Founded a group responsible for advocating and preaching diversity, unity and inclusion among students in Christian Methodist SHS

## LEADERSHIP ROLES & VOLUNTARY WORK

### International conference

*Participant*

Online

July, 2021

- Participated in the International Model United Nations (IMUN) conference on clean water and Sanitation for good health maintenance under the United Nations Development Programme (UNDP) committee. Under this conference, I learnt a lot about the **SDG 6** which focuses on Water, Sanitation, and Hygiene (WASH).

### Science Fun Club

*Founder*

Ejisu, Juaben

Feb 2018 – Apr 2020

- Founded the Science for fun club, an online platform that seeks to help Junior High School students understand the basic concepts behind complex scientific reactions.
- About 100 students have benefited from this platform and have developed interest in the study of science.

### Teaching Assistant

*Student Tutor*

Kumasi, Ghana

Jan 2019 – Apr 2019

- Tutored 30+ students in Biology, Chemistry, Physics, and Mathematics to help them improve on their weaknesses.
- About 75% of the students I tutored got pass marks in the National exams (WASSCE).

### Aaron Scissorhands

Ejisu, Juaben

*Shadower*

Nov 2019 – Jan 2021

- Worked with Aaron Scissorhands to learn more about making backpacks with locally made fabrics and by so doing improved my skills on sewing and the use of the sewing machine.
- Produced about 200 nose masks from material prints, which were distributed to members of the Kasoa community as a means of protecting themselves against COVID-19.

### **Ella's Face Shield**

Ejisu, Juaben

Producer

Jun – Sep 2020

- Helped produce face masks from spectacles and A4 sized rubber sheets.
- Distributed the face masks to 200 school students which helped these students in the fight against Covid-19.

### **New Leaders Voting**

Ejisu, Juaben

*Electoral Commission Chairman*

*Mar 2017 – June 2017*

- Supervised and coordinated the voting of electing new leaders in my Junior high school.
- Ensured and prevented any fraud related issues resulting in a free and fair election.

## **AWARDS**

---

- Overall Best Physics Student
- Overall Best Math Student
- Overall Best Student Tutor
- Top Scorer
- Excellence in Chemistry Award
- Community Health Award
- Best High School Research Presentation

## **WORK EXPERIENCE**

---

### **Teaching**

Ejisu, Juaben

#### ***Class Tutor at Butterfly International School***

***June 2022-Present***

- I help 16 students on eight (8) subjects including English Language, Mathematics, Science, and History of Ghana.
- 50% of these students who were not able to read can now read due to my efforts.
- 70% of my students can now work with basic arithmetic operations such as addition, subtraction, and division.

#### ***Mathematics and Science Tutor at Delges International School***

***Sep 2021-Aug 2022***

- Taught 25 students Mathematics and Science with the aim of getting them to understand basic concepts by relating them to the real world.
- Prepared 4 students for the Basic Education Certificate Examination (BECE) and all my students did extremely well on the national exams, and got admissions into their first choice Senior High Schools.
